Dear Friends,

I hope this message finds you well. On behalf of SUNY Maritime College and the Maritime College Alumni Association, I'm excited to share an opportunity to celebrate our institution's *150 Years of Learning at Sea*.

We will commemorate this milestone with a gala dinner honoring our legacy, celebrating achievements, and envisioning an even brighter future. Keynote speakers include **Rear Admiral Philip E. Sobeck** of the Military Sealift Command and maritime historian **Dr. Salvatore R. Mercogliano**, Class of 1989.

As a valued member of our community, your sponsorship will celebrate this legacy and directly support students and graduates through the Alumni Association's mission to offset rising education costs. Sponsorship and Underwriting opportunities on the following pages, offer meaningful ways to showcase your commitment to maritime education and connect with an influential audience.

Together, we can celebrate our past, invest in the future, and ensure SUNY Maritime College continues to be a beacon of excellence for generations to come.

Thank you for considering this opportunity to honor our past and invest in our future. If you have questions or wish to discuss sponsorships, please contact us at Director@maritimecollegeaa.org.
